OBJECTIVE

Highly motivated 3rd year Computer Science student with strong programming, Data Structures, and Algorithms skills, eager to contribute to innovative projects and learn from industry leaders through an internship opportunity.

EDUCATION

B.Tech in Computer Science and Engineering(Cyber Security), Mohan Babu University, Tirupati **Expected 2026**
CGPA: 8.44/10   AP, India

Intermediate (MPC), Sri Harshini Junior College   **2020 - 2022**
Percentage: 65%   AP, India

SKILLS

Programming Languages	Java, HTML, CSS, JavaScript
Frameworks/Libraries	Bootstrap, React.js
Databases	MySQL
Developer Tools	VS Code
Academic Coursework	Data Structures, Operating Systems (Windows, Unix/Linux), CN, OOP, DBMS
Certifications	Html, CSS ,JavaScript (Udemy) | Network Mastery for Ethical Hackers (Udemy) | Introduction to Cybersecurity Tools and Cyberattacks (Coursera)

PROJECTS

Blood Donation Website: A responsive platform connecting blood donors with recipients in need. Users can register as donors, search by blood group and location, and get quick assistance. Built with HTML, CSS, JavaScript, PHP, and MySQL, ensuring secure data handling and smooth functionality.

EXTRA-CURRICULAR ACTIVITIES

- Actively contributed to open-source projects by developing, debugging, and optimizing code in various repositories. Engaged with the community through issue tracking, pull requests, and discussions, ensuring collaborative development. Focused on web development, cybersecurity, and automation, improving project functionality and security.
- Consistently expanding knowledge through online courses in Web Development, Java Programming, and Cybersecurity. Completed multiple certifications from platforms like Coursera and Udemy. Enthusiastic about staying updated with the latest industry trends and applying new skills in practical projects.
- Successfully completed online courses on Web Development, Cybersecurity, Ethical Hacking, and Machine Learning from leading platforms like Coursera, Udemy, and edX. These certifications enhanced my technical skills and hands-on experience in cutting-edge technologies.
